

Dear Patients and Friends,

After 30+ years of delivering dental care in the West Windsor area and surrounding communities I am writing to inform you that I am retiring.

I will miss practicing dentistry but most of all I will miss the wonderful friendships I have enjoyed with my patients. Thank you for trusting me with your dental care. It is truly an honor. It has been a pleasure and privilege to serve you.

At this time I would like to introduce to you Dr. Satwinder Singh. Dr. Singh is a graduate of the New York University College of Dentistry. Beginning January 2nd, 2024 I will be turning over my practice to Dr. Satwinder Singh. Dr. Singh has a natural passion for helping people. He is easy going, gentle and experienced. His patient approach and general philosophy is aligned with my own. He believes in taking the time to listen to your needs and coordinate a comprehensive dental care plan. Not only will Dr. Singh occupy the same office but he will also retain the same staff that you have all come to know and trust.

Your records, x-rays and my staff will remain with the practice to make the transition as easy as possible for you and your family. I will be remaining on for a short time to introduce you to Dr. Singh and to complete any cases that are currently in progress. Again, please accept my warmest thank you.

With greatest regards,

Joanne Reiffe Fishbane DMD
